

Hove & Kingsway Bowling Club

"TAKEPART" - FAMILY DAY

Start

Bowling

Today we are having a friendly lawn bowls match and also giving demonstrations and tuition on how to play the game.

Bowls can be played by the young and not so young alike.

We would like to encourage everyone to enjoy participating in a fun sport at our Hove beachside club and join in some of our many social events throughout the year.

FREE TASTER sessions are being held at our club.

With that in mind we are holding a **TASTER** day where anyone over 18 can join in and try it for themselves.

If you would like to try playing, please come to one of our

TASTER sessions on on - **MONDAY 1st July 2013**

- **Morning session - 11.00 am until 2.00 pm**
- **Evening Session - 6.00 pm until 8.00 pm**

Please wear **FLAT** soled shoes OR **TRAINERS**

If you can't make it on 1st July, we can arrange for a taster session on another day. Please come into the club any day after 12.00 noon, send an email or telephone. One of our bowling team will contact you.
